

MWV Soccer Club U10 Select Soccer Team (Co-ed)

The Team: The Mount Washington Valley Soccer Club is sponsoring a U10 Coed soccer team this fall to bring together some of the area's most energetic soccer players to train and compete in one of New Hampshire's elite tournaments this fall. The goal of the team is to provide a regional competitive soccer experience, with a focus on developing individual skill and understanding of the game. We want to give our area's younger soccer players a chance to meet each other and take their soccer passion to a new level!

The Players: We are looking for 8–10 year old players that love soccer. We expect that players will also play on their local rec or elementary team--this team is meant to augment the great local opportunities they are already experiencing. Girls and Boys born 8/1/2001 or AFTER are eligible. Preference will be given to children in 3rd and 4th grade.

Practice/Tournament: This team's first practice and tryout will be Thursday 5:30 PM August 25th at Whitaker Field in North Conway. The season will start in earnest after Sept 15 with one practice per week. **The Capitol Cup Tournament** occurs on Columbus Day weekend (**October 8&9**). We will finalize the practice schedule after the try out date.

Coaches: Angus Badger has coached the MWV Soccer Club's fall U12 Travel team for the past two years and holds a Level V National Soccer Coaches Association of America (NSCAA) coaching diploma. Jamie Killeen has been involved in soccer for the better part of 40 years. Originally from Stoke-On-Trent England, Jamie has played and coached the game at various levels. He currently holds the position of Head Soccer Coach for the KA Brett Middle School in Tamworth as well as coordinating and organizing the spring and fall Recreational Program for the town.

Player Expectations: We expect players to attend all practices and the tournament. Please speak with a coach about any special circumstances. We expect our players to uphold the MWS Soccer Player Code. Each player should print and complete the NHSA registration form <http://www.mwvsoccer.com/registration.php> and bring it to the tryouts.

Costs: The fee for each player will be \$50 for the fall season. Checks should be made out to the MWV Soccer Club and presented at the first practice with the completed NHSA registration form. Go to the club's registration page and print and complete the form. Please contact the coaches if financial assistance is a consideration.

Contacts: If you have questions, please email Angus Badger at mangusb@gmail.com or call 603-383-8247. More Mt. Washington Valley Soccer Club information can be found at <http://www.mwvsoccer.com>.
